BIO-COMFORT

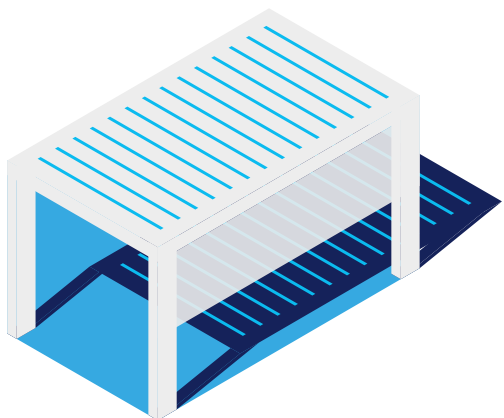

Le lame orientabili permettono la regolazione della luminosità mantenendo la ventilazione d'estate e consentono di sfruttare il calore del sole d'inverno.

Adjustable blades allow regulation of the light, provide ventilation in summer and make it possible to take advantage of the sun's warmth in winter.

Les lames orientables permettent de régler l'intensité de la lumière tout en garantissant l'aération en été et d'exploiter la chaleur du soleil en hiver.

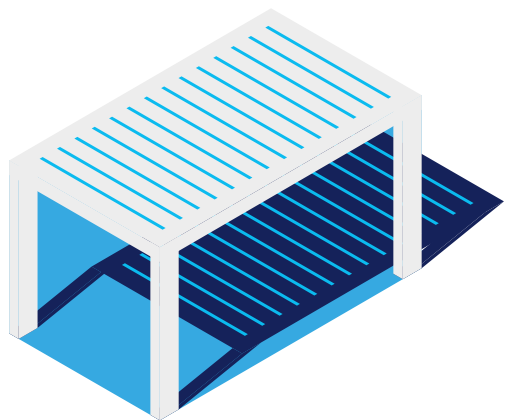

Die orientierbaren Lamellen erlauben die Regulierung der Helligkeit, ermöglichen die Luftzirkulation im Sommer und die Nutzung der Sonnenwärme im Winter.

DESIGN

Il design al servizio della semplicità e della praticità rende i nostri prodotti puliti, belli, piacevoli da guardare giorno dopo giorno generando in ognuno un fiero senso di soddisfazione.

Design at the service of simplicity and practicality make our products uncluttered, attractive and pleasant on the eye day after day, generating a sense of satisfaction.

Le design au service de la simplicité et de la praticité rend nos produits nets, beaux, agréables à l'œil jour après jour générant en chacun une satisfaction mêlée de fierté.

Das schlichte und praktische Design macht unsere Produkte klar, ästhetisch und optisch schön, Tag für Tag, und löst in jedem Betrachter ein angenehmes Gefühl der Genugtuung aus.

CUSTOMIZED

L'elevata possibilità di personalizzazione data dalla numerosa scelta di colori, optional e chiusure, fa sì che ogni realizzazione sia perfettamente "cucita" addosso al cliente.

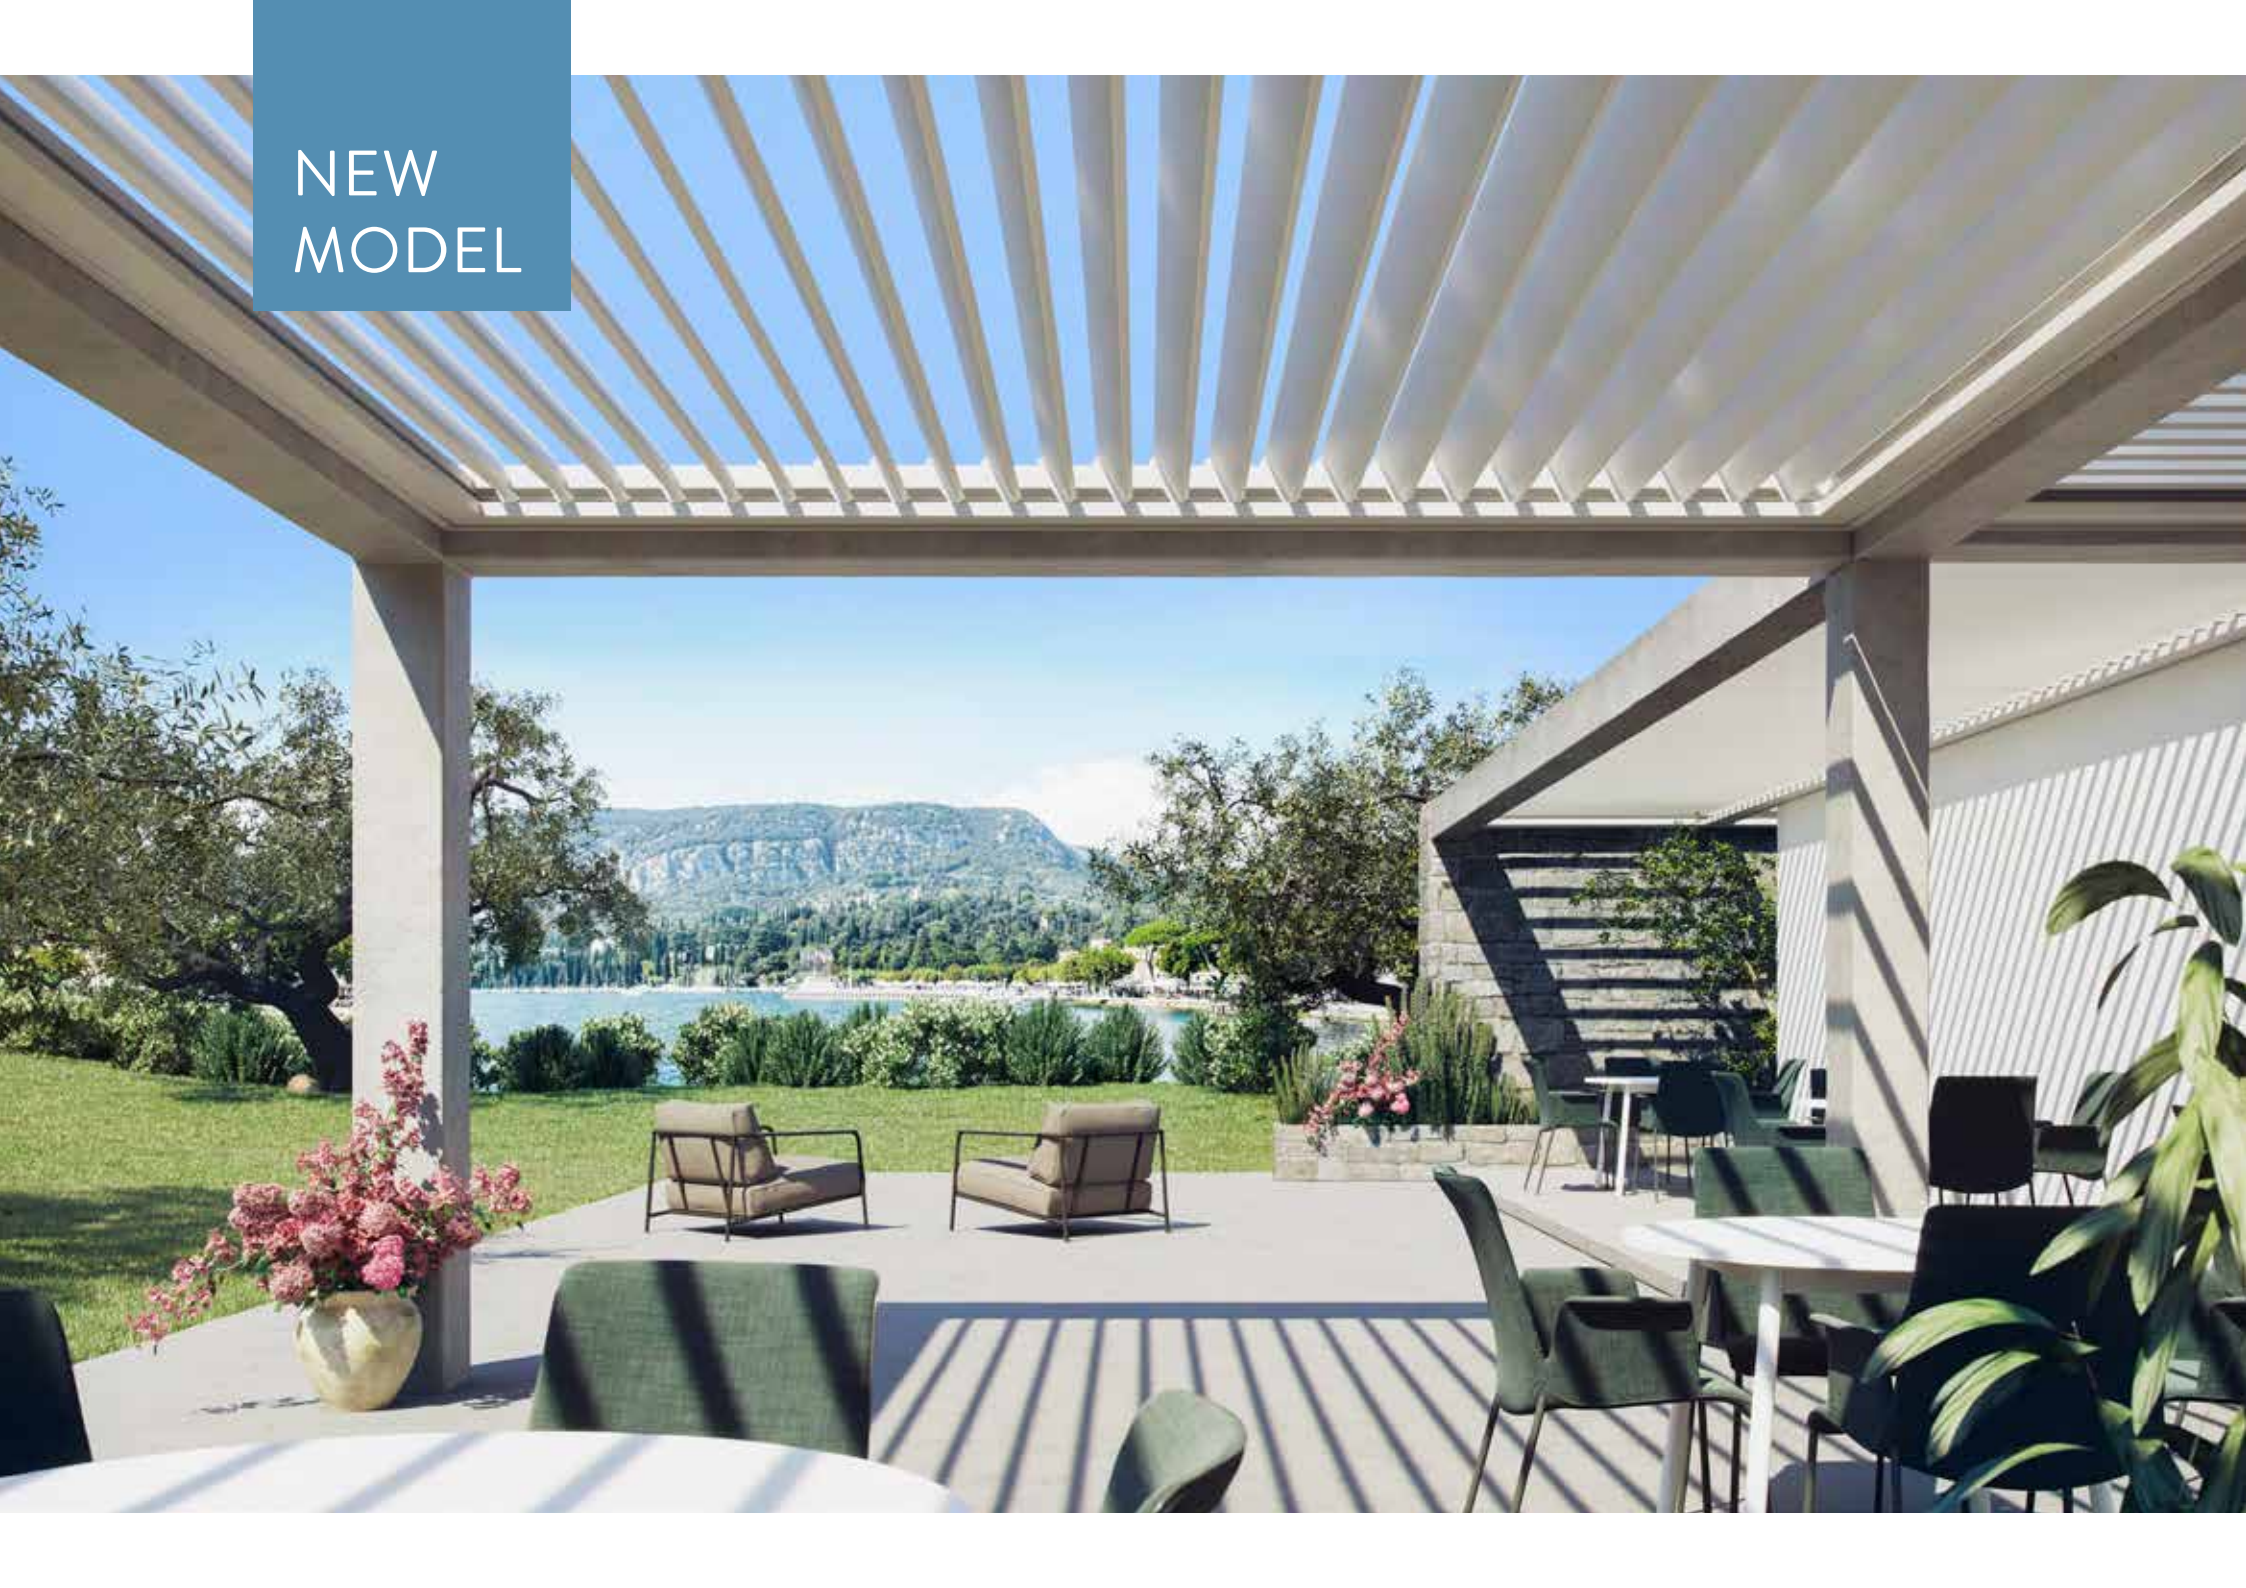

The many possibilities provided by the wide choice of colours, options and closures mean that every product is perfectly "tailored" to the customer.

Personnalisable à outrance vu le vaste choix de couleurs, options et fermetures, chaque produit est pratiquement « cousu » sur mesure.

Durch die umfassende Möglichkeit der Produktpersonalisierung aufgrund der großen Auswahl an Farben, Extras und Schließoptionen wird jedes Produkt vollkommen auf den einzelnen Kunden „zugeschnitten“.
